

Sport Developer Newsletter July 2025:

Foreword:

We're midway through another exciting year for cycling in the East Midlands, with plenty of momentum across all disciplines. Road racing is currently on a short summer break, but participation has been strong, with events 85% full on average which is an encouraging increase from last year. The East Mids Youth Circuit series continues to thrive, with the third round held on 22 June and the series concluding in July. Planning is already underway to make 2026 our best youth series yet, so if you'd like to get involved, please reach out to tobyturner@britishcycling.org.uk. Meanwhile, Freestyle BMX had a fantastic showcase with Round 1 of the Lloyds National Freestyle Series hosted at Asylum on 14th June. As we enjoy the summer, a quick reminder that both Track League and Cyclo-cross will return in September—plenty more to look forward to!
